Things to do prior to quilting:

TOTAL: \$ _____

- Be sure quilt back is ready for quilting and there is a minimum of 4 inches on all sides of backing and batting for loading onto our long arm machine

- Stay stitch around entire quilt. This ensures seams are stitched and do not come apart during handling (especially near edge of quilt).

Additional notes:

Rush fee: \$50 (A request to complete a quilt in less than 14 business days)

Pertaining to smaller quilts (Smaller than 50"x 50"), there is a minimum charge of \$50

I am happy to pick up and drop off quilt for no charge, within the Treasure Valley
